A nautical-themed background featuring a light blue surface with a white fishing net draped across it. Several small, round, brown buoys are attached to the net with twine. On the left, a weathered wooden anchor is visible. In the top right corner, a portion of a white and dark blue lifebuoy is shown. The word "SIDEL" is prominently displayed in the center, with "SIDE" in large, dark blue, serif capital letters and "L" in a smaller, white, cursive script font.
